Last Sunday morning while on their way to church, Mrs. Halie Burton and Miss Annie Harris were thrown from their buggy and severely injured. While going down a short steep hill just this side of John Tuttle's, some part of the harness gave way which let the buggy run upon the horse, and caused the horse to run away. Both of the ladies were thrown from the buggy and severely, if not fatally hurt. Mrs. Burton's face and head was cut in several places to the skull bone. She was also seriously hurt in the back.

Miss Annie was unconscious for some time after the accident occurred, and is

very badly hurt.

Drs. Berryman and Winburn were called on to dress their wounds and treat their case. At present they are getting along as well as can be expected.
